Dear Sir:

Re: U.S. Patent Application No. 10/599,578
Applicants: KING, Malcolm; ZAYAS, J. Gustavo
Title: COMPOSITIONS AND METHODS FOR IMPROVED
MUCUS FUNCTION

Further to the filing of a response with respect to the captioned application on October 26, 2011, it has come to my attention that, due to a clerical error, the fee paid for the extension of time under 37 CFR 1.136(a)(3) was paid at the Large Entity rate (i.e. \$1270) rather than the Small Entity rate (i.e. \$635), which applicants are entitled to as a Small Entity.

It is hereby requested that a refund for the overpayment in the amount of \$635 be credited to Deposit Account No. 192253.

Yours very truly,

William Kitt Sinden
